PHYSICAL BULLYING
by Eddie Dillon
This is bully, his name is Ralph. Gregory has been suffering physical abuse from Ralph.

This is Gregory, lately he has been suffering from a bullying situation. He doesn't know what do to do about the bully. Every time Gregory walks out of class Ralph punches his face without a teacher seeing.

This is Humphrey, Gregory's best friend.

This is Mrs. Lancer.
What's wrong Greg?

I've been getting bullied by Ralph.

Hey midget! Get over here! You've got nothing.

I don't want to, go away Ralph!
You should tell someone immediately, Greg this is serious!

There is only 1 day of school to go before school holidays, maybe I will get over the situation...

The next day...
Finally the last day of school!

I'm gonna go to the teacher and tell her about my bullying incident.

Hey miss, I wanted to tell you about something that is really bothering me...

Greg what's wrong...why are you here?

...and what may that be Greg
Send Ralph to my office now, and I will talk to him about why he is bullying you.

I have been getting bullied by Ralph. It has been happening constantly.

What do you want miss, I have done nothing to Greg.

Plenty of people have told me that you are bullying kids in the schoolground, especially Greg!
2 weeks later (after the school holidays)

Hey Greg how was your holidays? I had a great time over in Hawaii

Yeah I'm alright... I'm still trying to get the whole bullying thing off my head.
In the quadrangle later that day...

Hey Greg, I had a big talk with the teacher about the stuff I have done to you. I want to set peace between us, can we be friends?

Yeah alright then Ralph
